### **Risk Management Series:**

#### **SELECT TOPICS IN EMPLOYMENT LAW FOR DENTAL PRACTICES**

This presentation provides an overview of common issues that arise in small businesses, including case studies in various dental practices; various types of employment related claims; the jurisdiction and investigatory processes of the EEOC and NYS Division of Human Rights; and best practices for dental offices for mitigating and avoiding claims, including compliance with the requirements to provide Paid Sick Leave and employees qualifying for Paid Family Leave due to COVID.
